

# PLC SMART SWITCH(US/CA VERSION)

PLC400w-120 | PLC800w-120 | PLC1200w-120

## DESCRIPTION

PLC SMART SWITCH - US/CA VERSION | 400W/800W/1200W | 120-277V |  
Turn on/off | Smart Dimming | CCT Adjustable | Scene Mode

## CONSTRUCTION

Fire-retardant material to guarantee secure and reliable working, giving the best look to blend with any wall design.

## ENHANCED CONVENIENCE

Two types of wiring are available for installation with or without a neutral wire.

## EASILY INSTALLED

Easily installed without rewiring your existing wire with single live wire design.

The PLC Smart switch with Single Live Wire Design and No Neutral Wire needed. It does not require capacitors and can directly replace traditional switches, which greatly facilitates the installation and wiring of users, allowing you to easily enjoy smart life.

## EASY CONTROL

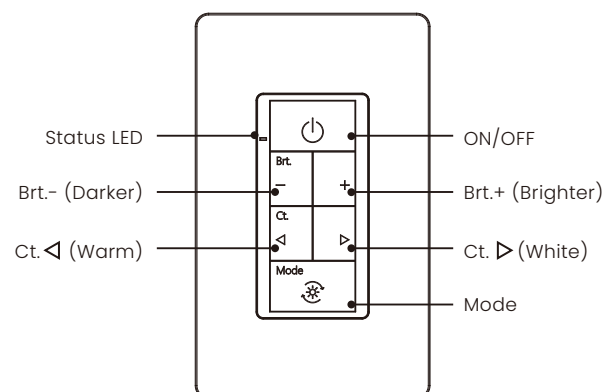

Turn on/off,  
Brightness Stepless Adjustable(0%-100%),  
Color temperature Stepless Adjustable(2700K-6500K)  
Three Scene Mode-Work mode/Leisure mode/Night light mode  
(Can be changed indeed)
